

Grow at Clark Gardens

Enriching lives through art, wellness, and nature-based lifestyle.

November 6, 2022

“Grow at Clark Gardens” is back!

After a very successful inaugural event in 2022, Clark Gardens announces a *month-long event*, “Grow at Clark Gardens 2023”. Programming will highlight nature-based activities while encouraging healthy lifestyles.

Throughout March, “Grow at Clark Gardens” will host events designed to enrich the lives of our local citizens and tourists through art, wellness, gardening, and other nature-based activities.

Our success in 2022 was due in part to the support of the local community through sponsorships and community participation. Our revenue in March 2022 exceeded March 2021 by over 47% while hosting over 40 programs throughout the month.

We are asking you to consider a sponsorship for this event. Your support will help us provide quality programming and educational opportunities to thousands of attendees. Many programs are available at no additional cost besides the admission fee to the garden, and others are available with minimal charges.

Your sponsorship will help Clark Gardens achieve its goals and help promote *Mineral Wellness* throughout our community and beyond.

Sincerely,

Carol Clark Montgomery

Director, Clark Gardens Botanical Park
